John,  
I've been great in  
doin' and on the trip  
to Florida. I only have one  
regrets and that is I didn't play  
some ball with you guys but  
maybe some time this summer we can  
get together and go a couple of innings with  
the rest of the Team. Have a great summer,  
Friends Bill Robinson

John,  
It's been fun  
in choir even though  
you didn't show up enough  
like to sing next to you for  
some really deep songs even  
though I really like the deepest base (JK)  
Have a great time this summer and  
Don't play too much baseball. (Especially  
Double Headers)

John - First of all - I love you, Please always remember that!  
Secondly, I really don't know where to begin - we have both  
been through so much together - each time, we made our  
bond tougher, I think we're to the point in which it  
can't be broken! We've both cried so much, for love  
security, and the need to be needed, hurt, - all of these  
Purposes... we are so close it's almost makes me  
cry (with happiness). I don't know what each of our futures  
hold - for only God fore-sees the future - but if for  
some slim chance we lose touch, look back on our  
Senior year and remember all the good times, we have  
had so much fun, like wrestling and tickling and all  
those silly things (Remember what I pushed you right off  
your Bed into the floor at your mom's?) (Pretty Barely aren't I?)

Yes, we've had some grand times, Prom was so  
special - it's something I just won't ever forget - I  
will never forget "our" Senior year, I found so  
much love! you the most generous person I  
know (you spoil me!) (I love it!!) John, your so special  
to me, it hurts, cause I've hurt you so many times, please  
forgive me for all those selfish moments I had!

But now, our Senior year is over, and those  
memories are all locked in my mind, now we  
have a future to look on to, whatever it  
holds, I want us to be together always,  
physically, cause I already know you'll  
always be with me mentally! You hold a  
big part in my life and I really value our  
closeness + love - Please always remember all the  
good - I'll look back years from now and I'll  
have so many good things to reminisce over, choir,  
games, cheering and of course all the things  
we've done and been through - It's so hard to  
write in your year-book, cause the future is a  
big blur - but you mean so much and you hold  
my heart! - Please: Don't give up on me!!!!

P.S. We've graduated,  
are you going to be a  
PREPPY??

all my love, always,

Jessica

## Homecoming 1981

"Scalp the Warriors" was the slogan for the 1981 Homecoming. And scalp them we did! The score was 27 to 7. The weeks festivities included much enthusiasm and student participation. Thanks to the teachers for putting up with all the class interruptions. The students spent the week dressing like "Dallas", to "look alike" day, "formal" to "50's" and ended the week in "Polar colors." Almost everyone dressed up for coronation. Thursday was fun and games day for some, go home early day for others. There was a donut eating contest, musical chairs, and coed soccer and football games. The week ended with a really rowdy pep fest, thanks to the seniors! Better luck next time freshman! The dance followed the big game. Over-all Homecoming week was enjoyed by one and all.

# Sno-Daze's Week Of Activities . . .

SNO-DAZE! SNO-DAZE! The week of February 8th through the 12th, North High School was transformed into the snow capital of the world. During the week many fun and exciting events took place. On Monday, February 8th, we had "Preppy Day", where stylish polo shirts, plaid skirts or khaki pants were worn by some North High students. The Great Medallion hunt also started on this day. Tuesday, the 9th, was Dress-up day. The students wore their best dresses and suits. Coronation of Sno-daze royalty was also done in the afternoon. "Punk Day" was Wednesday, the 10th. Colored hair, wild colored clothing was the dress for some North High students. Ninety degrees in the shade? Not at this time of the year. Even in the cold of the north, a little sun must shine. On Thursday, the 11th, the students wore sweatsuits and their favorite summer dress. Sorry, no swimming suits made it to North. Friday was "Red and White Day". Also the "Tug-of-war" and a large "Pep fest" was held in the afternoon. That evening a dance was held, like always fun was had by all.

Think Snow!

# Sno-Daze Activities

The week of February 8th through the 12th, proved to be an exciting and fun-filled time of winter frolics. The 1982 Sno-Daze Royalty were chosen by fellow class members. The royalty were crowned on Tuesday, at the annual coronation. Seniors Kevin Simon and Cindee Markie were crowned King and Queen. Chris O'Connor and Donna Chlebeck were crowned Prince and Princess of the Junior Class. Tim Kratzke and Chris O'Keffe were crowned Prince and Princess of the Sophomore Class. Kelly Teich and Kelly Strom were crowned Prince and Princess of the Freshmen Class. Kelly Leahy won the award for finding the Great Medallion, his third year in-a-row of doing this. The intramural game winners were as follows: In Sno-Soccer, the team led by Leah Moe won for the second year in-a-row. In Sno-Football, the team led by Joe Rondeau and Sandy Schwietz won the event. The famous annual Tug-of-war competition was won by the Big Boys. Friday night at the semi-formal dance, the band, *Sundance*, performed for a large turnout. Think snow for next year.

## Office Education Association

1981-82, has been a great year for North Office Education! O.E. students accumulated many accomplishments in the classroom, on the job, and in the O.E.A. club. The program has given each member a taste of professionalism as he/she has stepped into a realistic, exciting office job: accounting, secretarial, data processing, and the list goes on. Professionals! And, of course, they're a step ahead in that competitive job market. There was the overnight at the Stillwater Racquetball Club, officer elections at Keller Park, state officer campaigning, and the National competition in Nashville, Musi-land, U.S.A.

## North High DECA Runs Successful Business

In North St. Paul, the North High School DECA Chapter is continuing their wholesale fundraising business, called Fundraising Enterprises, for the second year in a row. All members worked as sales representatives for a major Minnesota Fundraising Company, which helps them gain confidence in themselves, and provides for a valuable sales experience. The business consists of sales teams, sales managers, and even a customer relations person. We have

already received orders for over \$1,600.00, and are anticipating sales in excess of \$10,000.00 before Christmas. All members are involved and benefit from the project. They gain knowledge which will help them further their career in Marketing and Distribution. Some of the most popular products offered by the group include cheese and sausage, gift items, popcorn, and candy. Groups needing fundraising ideas, or more information can contact North High DECA, or the company managers, Cindee Markie or Steve Beard.

**Minnesota Vikings Coming To North High!** The Minnesota Vikings are coming to North High to help DECA members raise money for Project Intercept. Project Intercept is a drug rehabilitation center for the Ramsey County area. Another big event planned this year is a carnival. The carnival is planned for Jan. 23, 1982. Money from these events will be donated to Project Intercept.

# Nurse Assistants

Nurse's Assistants: *Front Row:* Kris Huston, Kathy Eggum, Wendy Ready. *Second Row:* Steve Verville, Vickie Voss, Kim Walz.

There are seven of us that help Mrs. Pearson in the Nurse's Office. We are required to do certain jobs, such as keeping the office in order, sign students in and out of the office, and sometimes we have to find students that the Nurse wants to talk with. Lots of people come and go during the day. Unusual things seem to happen there, some good and some bad. We all get along really well. There are a lot of "comedy" people that come in just to say "hi" and then leave. Mrs. Pearson is a very nice person to work for (most of the time), she does keep us working.

Library assistants help in the library, they put books back on the shelves, they dust, they check books out to students and staff, and they check books back into the library. The job they like is to write reminders to students to return their over due books, they just fight over who will do it. There will never be a better group - until next year.

# 1981-82 Polaris Staff

A yearbook does not just happen, it takes planning, a lot of hard work, and plenty of time, hours go into a single page. Layouts are designed and brought to Mr. Wyman for approval, some times they pass on the first time, but many times they do not, and then its back to the drawing board. Pictures are the biggest headache, if we do not have a picture we cannot plan a page. Dellarson does most of our picture taking for the yearbook, the Camera Club helps out also. The yearbook staff usually starts out with 20 to 30 students, but as the year goes on the number that works on the yearbook drops to 5 to 10 students that make sure that the yearbook gets put together and in your hands in the spring. So the next time you see your picture in the yearbook be sure to thank one of the staff members for making this book for you.

Activities Club plays a very important role here at North, though many of you don't even realize it. One of our biggest activities is the planning of dances. We plan the dances, find the bands that are appropriate for the occasion, we even decorate the cafeteria before the dances. The dances are just one of many things we do. We are also responsible for Homecoming week, Snow Daze week, and the coronations. We are the people who make arrangements for the activities. We are also responsible for the decorating of the lockers for all of the sports players, which is a job in itself. All in all we have a great time doing it.

What is Student Staff doing for the school? What do they hope to accomplish? Many students at North High constantly wonder and inquire about what Student-Staff is accomplishing. This year alone much is being done to improve the school. Student-Staff funds and maintains the pop machine and the new video games in the Polar Bear Den. Student-Staff also subsidizes dances and special school activities such as the art show and numerous other happenings. As you can see, Student-Staff is accomplishing a great deal. The goals set by the 1981-82 representatives of Student-Staff are high. Their Major objective is the betterment of the school for the students.

A meeting for all girls interested in joining Northwinds was held last fall, around 30 girls showed up for the first meeting, this number was narrowed down to 18 girls.

When we began to dance, it was a lot of fun, all the girls are really happy they joined. Our first dancing experience was Homecoming, boy did we have butterflies in our stomach. Even though it was raining we still had fun performing for our school, and the applause by our fellow-classmates was great.

We went on to dance at Soccer games and Basketball games, which were fun to do. The biggest thing we did was to dance at the North High Faculty and Minnesota Viking's Basketball game. We danced to "Celebration" and "Fame". We got to meet the Viking players and even had a picture taken with them.

Northwinds was brought back this year to give the chance the girls who love to dance, to dance. The girls were enthusiastic about it, they had the *umf* to go to it. We did our best and we hope we made you proud of us. Northwinds next year will be even better, because we will have learned from mistakes made this year. I personally want to thank all girls who were in Northwinds. I had a real fun time dancing with all of you and I sure hope to see you next year.

## Boys Cross Country Team Wins Conference

### Mary Fowler Places 18th In State Meet

The North-Tartan Boy's Cross Country team won the St. Paul Suburban Conference Championship this season by a strong lead of 52 points. All-Conference runners were Mike Kodluboy (1st), Joe Sonnek (3rd), Bob Griffin (5th), Kerry Mar-

usich (7th), John Griffin (11th), and Charles Decker (14th). Rolf Schmidt placed 18th. A very good job. The Cross Country team had many fine performances throughout the season. They placed 3rd at the Princeton Invitational, they won the Polar

Invitational, they placed 3rd out of 23 teams in the Swain Invitational, held at Duluth, and they placed 3rd in the Region 4AA meet, only a very slim margin away from going to the State Meet.

The Football Team ended the season with a 5-4 record. The team played some tough games, and put up a good fight and came through with five victories this season. The team beat Sibley, which was our Homecoming game, a good game to win. They also defeated our biggest rival, Tartan, by the score of 7 to 6.

According to Coach Gustafson there was a lot of enthusiasm and team effort this year. This year's squad had a big turn-out of seniors. At the banquet Mike DiMartino, Greg Hosch, and Doug Bird were named All-Conference. Todd Carlile was named the Offensive player

and Greg Hosch was named the best Defensive player of the year. The most improved player of the year was Cliff Skagen. Kelly Leahy was named the most spirit and hustle. The most valuable player was Mike McDonald, (the first time a Junior has won this honor).

The boy's soccer team had a very successful year. They finished the regular season with a 8-5-1 record, good enough for a second place fin-

The Girls Soccer team had a very successful season. We had a record of 11 wins, 5 losses, and 1 tie. Our season didn't start out as good as we hoped it would, but we went on to win 8 in a row. Our team consisted of 11 seniors, 4 juniors, and 8 sophomores. Our Captains, Patt Korlin, Jolene Reinhardt, and Maureen Mahmood showed good lead-

ership throughout the season. Our first conference loss was against Tartan. It was a big upset because, that was the one game we wanted to win, but we came back later in the season to tie them, 0-0, in overtime. That gave us more than enough confidence to keep winning. Then came regions, we were able to get a victory over Sibley and went

on to meet Hill-Murray. The game ended in a 1-1 tie, Hill-Murray went on to win in a shoot out. It was a big disappointment as we were really looking forward to playing Tartan again. Good Luck Polar Girls Next Year.

The Girl's Varsity Tennis Team ended a successful season with a 6-3 Conference record. That gave us a 3rd place finish, which has been one of the highest finishes in recent years. Everyone on the team made important contributions, whether it was through their play, enthusiasm,

or leadership. Even though we won a lot, we still had a lot of fun. When we lost, we'd just look on to the next match and not dwell on our loss. All of our success wouldn't mean too much if it hadn't been for our coach, Mr. Tewenkel. In his first two years as the Varsity Coach, he

has turned a 1-8 team into a 6-3 team, which says a lot for his coaching ability. Above everything else, we gained new and important friendships which will last us for a very long time.

## Girls Swimming Team In Action

To capture the full feeling of a great season, the excitement and variety, an overview of events must be given: the season started with a new coach, Pat Diamon, a cross between an elf and Grizzly Adams, (we didn't know what to expect!). We were gifted enough to witness the greatest of friendships develop between two compatible young women (K.L. and S.M.), their friendship reached a very touching peak the night of

our regional competition. (Ha-Ha). Then there were morning buses crowded with bright, smiling faces of students; the sucker relays with Harding; those awful locomotives at 6:00 A.M.; Eddie Haskle (thanks to Patty); and our Halloween party.

A few of the most difficult things to deal with, besides the workouts, were: *Nancys naughty voc; Lisa D's illnesses, not to mention*

*her humor; the coaches educational stories with morals to help guide us through life.* The Girls Swimming season was one that many will not forget. It was filled with a great deal of *hard* work and many challenges, from this stemmed very good times and some very close friendships.

This years Varsity Volleyball Team was comprised of twelve seniors. Although our 5-4, conference record did not represent a successful season, we all shared the enjoyment

of playing together. Perhaps the greatest bond on this particular team was the desire to be successful. As Co-Captains with Jean Myers, I personally would like to say

thanks for all the good times.

## The 1981-82 North High Wrestling Team

The North High's Wrestling Team had a long season this year, only winning 3 matches, while losing nine. What makes for a good season is that the boys were able to come

up with a win over Tartan by a score of 33 to 23. Many of the matches were lost by close scores and this made for an entertaining year. This may be the last year that North

has a wrestling team. As things stand now wrestling will be dropped next year. We hope that this does not happen and that something comes up to save the program.

The Boys Basketball team has had a long, hard season to date. The Varsity has only won one conference game and is tied for last place in the St. Paul Suburban Conference. The

team has had some close contests, but hasn't had the leadership from a senior player to win in this hard conference. Whatever the season

brings, the school and students will stand behind the team and give them as much support as possible from the sidelines.

This years Varsity team had only 3 Seniors, which put pressure on the underclassmen to play their best for the Varsity team. We hadn't played together as a team before this season, and it took a lot of hard work

and dedication to prove what we really had. We had many "different" and "unique" jokes within the team that held us close together. As Tri-Captains, we would like to thank all the underclassmen for the many

friendships and fun times we had during the season. We will always remember it!

## 1981-82 Gymnastics Team

*Handwritten text, mostly illegible due to blurriness. Some words like 'I love you' and 'I will be there' are visible.*

This year the gymnasts had two new coaches, Stacy Nelson (Head Coach), and Dave Flatten (Assistant Coach). This was the first time we had ever been coached by a male. It was a new and exciting challenge. Both of the coaches were great and

we all got along with them really good. We learned a lot of new things and as the season went on, everyone improved. The season's record (1-8) was not the best, but each meet we improved by a couple of points. The gymnasts performed

well and that was what Coach Nelson wanted. We had a lot of good times that we will never forget. Thanks for the memories.

Cathy Macioch

## North-Tartan Boys Swimming Team

The North-Tartan Boys Swimming is having another good year. At the time of this writing the boys have yet to lose a conference meet. We

hope they can stay undefeated in the conference and come away with the Conference Championship. They only have two conference

The 1981-82, Hockey season for the Polars was overall a good time. This years team had a large number of seniors so naturally everyone expected the team to do well from the start. The team started out rather well but when January came in not only was the weather sort of bad, but it seemed as though the North

High Hockey Team followed. No one could really put their finger on what the problem was but everyone kept their spirits up and the team got through the tough times. Wihelmy and Walton's little joke one saturday night really made the team laugh. February came and the Polars

proved that they were ready to get down to business. They had 3 solid lines put together and it seemed that nobody was going to stop them. *Section 3 Champions two years in a row.* Well, we'll just have to wait and see.

# Real Gold from Mexico.

Aztec gold. It's what lured a handful of Conquistadores to conquer a nation. Carved into exotic shapes, it has entranced and fascinated men for ages. And it was the inspiration for Montezuma Gold Tequila, a tastier, mellower tequila. But don't let its smoothness deceive you. Underneath it all lies a certain subtle power that demands respect.

Montezuma Gold Tequila. Look for our Aztec calendar and make a date with Montezuma Gold today. You'll discover the power that real Gold can bring.
